

Land For Sale in Quinto

420 mq | Bathrooms: 0 | Bedrooms: 0 | Rooms: 0

In the core of Quinto, in a sunny and quiet area, we sell beautiful building land of 450 square meters facing south with a project of a building of three large apartments of 3.5 premises with license already approved and therefore ready for construction.

The project includes, in addition to the income building, 4 parking lots, cellars and technical room with thermopump.

The building has already been divided into PPP. The price includes land, project, building license and fees, professionals' fees for obtaining a building license, etc.
