

House For Sale in Cadempino

368 mq | Bathrooms: 6 | Bedrooms: 6 | Rooms: 9

In Cadempino, in a comfortable residential-commercial area close to services and infrastructures, we are selling **BUILDING** (former restaurant with accommodation) with **building license** for renovation and height expansion with mixed use (commercial-residential). The project includes 3 floors with offices and apartments, with possible variations in types and sizes (1.5 rooms, 2.5 rooms, 3.5 rooms), a basement for the cellars and technical rooms and external parking spaces. Cadempino has a **very favorable tax multiplier of 65%**, excellent both for the establishment and domiciliation of companies and individuals. The railway station as well as the city-bus and the postal-bus stops are not far away, there are also public parking spaces in the immediate vicinity. Parcel surface area 468 m2. A summary table of the building parameters is available. **Excellent as an income investment. Sale price including building license: Chf 990'000.-.**
